Joe & Gladys Grimaud, owners of Chapin Furniture Store, may be as well-known for their short radio commercials as they are for their excellent furniture.

In their radio spots, Joe & Gladys share snippets from their long and fascinating life together.

In the story featured in the January 2015 issue of [Reach Out, Columbia](#) magazine, you’ll get more than a 60 second glimpse at this unusual couple, and what it is that’s guided them

Then ride out to Chapin, SC and check out all the wonderful furniture and home accessories in their store and meet Joe, Gladys, and their son Keith in person.

But hurry. They're having their big closing sale. By the end of March, the doors will close forever – in that location.

Bigger and better doors will open in the Fall just off the Chapin/I-26 exit. They'll have twice the sales floor space in a beautiful new building. (*You just can't slow the Grimauds down.*)
