

Monday Music – The Heart: Needtobreathe, David Letterman, & David Jeremiah

Needtobreathe is one of my top two favorite groups, and they're fellow South Carolinians – whoo hoo!

(If anyone knows them and wants to introduce me, I'd be fine with that!)

If you missed Needtobreathe's performance on The David Letterman Show, I found it for us on youtube.

This song will make your having faced another Monday worth it. Feel free to play it every morning. My free gift to you.

As David Letterman said, "It doesn't get any better than that!"

The thought I want to leave you with as you listen (and dance) to this song is:

What has your heart?

What gets you dancing?

What are you passionate about that you simply must have?

If God has called you to it, it's a done deal – it's His deal.

If He hasn't, you don't want it. Let it go.

As you're busy doing the thing that you simply must do, don't lose sight of the fact that it's God's responsibility to accomplish all He's called you to do.

Don't turn your passion into a burden or let fear overtake

you.

Keep it your passion.

Don't lose The Heart.

Dr. David Jeremiah gave an outstanding teaching on defeating the fear of failure. This teaching will excite you as you discover how to keep the heart in all that God calls you to do.

I've included it at the bottom of this post.

The teaching actually starts at the 16 minute mark if you want to fast forward straight to Dr. David Jeremiah.
